**Reminders**

- **City and provincial mandates state it is mandatory to wear a mask when you are in common (public) indoor spaces.** When guests are in resident suites, we recommend you both wear masks, even if you are vaccinated.
- Visits with guests must take place inside resident suites. Currently, **visitors are not permitted in common areas**, including the dining room.
- Please contact Reception to schedule indoor visits. Outdoor visits do not need to be scheduled.
- The tuck shop and hair salon are both open. Please contact the salon at 403-617-1860 to schedule an appointment.
- Participants in Active Aging group programs must wear masks and maintain physical distance.
- If you have an essential medical appointment scheduled, call the provider to say you are coming from a community in confirmed outbreak.
- Self-monitor for symptoms; advise Reception if you are symptomatic.

Our next update will be on Friday unless anything changes. Thanks!
