

**Bow Valley outbreak update 2 – Wednesday, Sept. 15, 2021**

*This information is current as of Sept. 15 at 2:46 p.m.*

Hello Bow Valley residents and primary contacts,

***Current status***

The total number of active resident and employee cases of COVID-19 at Bow Valley remains at one. We'll let you know if that number changes.

Category of case	Residents	Employees
Current active	1	0
Cumulative recovered	0	0

***Testing of residents***

All residents will be tested tomorrow (Thursday) afternoon in their suites.

***Friendly reminders***

- Please wear a mask when you are outside of your suite. We recommend wearing a mask if visitors are in your suite, even if you are vaccinated.
- Smaller Active Aging group programs are still moving forward for vaccinated residents. Participants must wear masks and maintain physical distance.
- Outdoor and indoor visits can continue for vaccinated residents. Please contact Reception to schedule indoor visits.
- If you have an essential medical appointment scheduled, inform the provider you are coming from a community in confirmed outbreak.
- Self-monitor for symptoms, let an employee know if you are symptomatic.

Our next update will be on Friday unless there are changes before then. On behalf of the Bow Valley team, thank you for your cooperation.
