

## **Spruce outbreak update 6 – Wednesday, Oct. 6, 2021**

*This information is current as of Oct. 6 at 11:20 a.m.*

Hello Spruce residents and primary contacts,

### ***Current status***

The total number of active resident and employee cases of COVID-19 at Spruce zero. We are considered in outbreak until otherwise notified by Alberta Health Services. We will inform you once that happens.

<b>Category of case</b>	<b>Residents</b>	<b>Employees</b>
Current active	0	0
Cumulative recovered	0	1

### ***Daily reminders***

- Residents must self-screen twice daily to monitor for COVID-19 symptoms. Please report any symptoms to a Silvera employee.
- Masks are required for residents and visitors when in common areas and during all visits.
- Outdoor and indoor visits can continue as usual.
- We strongly request that all visitors be fully vaccinated. Vaccination status can be shown at Reception during the health screening process. If you are unvaccinated, outdoor visits or virtual visits are the best options.
- Smaller Active Aging group programs are still going ahead. Participants must wear masks and maintain physical distance.
- If you have an essential medical appointment scheduled, inform the provider you are coming from a community in confirmed outbreak.

Our next update will be on Friday unless there are any changes. Thank you,

Sharon Milanko, Community Manager ([smilanko@silvera.ca](mailto:smilanko@silvera.ca))
