

Confirmed COVID-19 Outbreak declared at Bow Valley Community

This information is current as of April 19, 2022, 12:29 p.m.

Hello Bow Valley community residents and primary contacts:

Yesterday, Alberta Health Services declared Bow Valley community to be in a Confirmed COVID-19 Outbreak. This declaration has been made because two residents have tested positive for COVID-19. These residents are currently isolating.

Alberta Health Services will be testing symptomatic residents today.

Actions underway

- Please monitor yourself twice daily for the following COVID-19 symptoms and, if you have any, isolate in your suite and inform Reception:

Fever	Chills
Cough	Muscle/joint aches
Shortness of breath/difficulty breathing	Nausea/vomiting/diarrhea/unexplained loss of appetite
Runny nose	Feeling unwell/fatigued
Nasal congestion	Headache
Sore throat	Loss of sense of smell or taste
Painful swallowing	Conjunctivitis/pink eye

- There are no changes to activities at this time.
- Enhanced cleaning protocols remain in place.
- Please wear a mask anytime you are out of your suite or if anyone is in your suite, including visitors or home care, maintenance or housekeeping employees.

- If you have a medical appointment scheduled, please inform the healthcare provider you are coming from a community that is in a Confirmed COVID-19 Outbreak.
- All outbreak protocols are activated and all employees continue to wear personal protective equipment.

Keeping you informed

We will provide more information if there are any changes.

Thank you for your understanding and cooperation.
