

Shawnessy outbreak update 4 – Wednesday, April 20, 2022

This information is current as of April 20, 2022, 11:48 a.m.

Hello Shawnessy community residents and primary contacts:

The current number of active resident cases of COVID-19 is 10.

Category of case	Residents	Employees
Current active	10	0
Cumulative recovered	4	1

It is crucial that all residents monitor themselves twice daily for the following COVID-19 symptoms. If you have any symptoms, please isolate in your suite and call reception: 403-256-4036.

Fever	Chills
Cough	Muscle/joint aches
Shortness of breath/difficulty breathing	Nausea/vomiting/diarrhea/unexplained loss of appetite
Runny nose	Feeling unwell/fatigued
Nasal congestion	Headache
Sore throat	Loss of sense of smell or taste
Painful swallowing	Conjunctivitis/pink eye

Please wear a medical-grade (not cloth) mask that covers your nose and chin anytime you are out of your suite or if anyone is in your suite.

If you have a medical appointment scheduled, inform the provider you are coming from a community that is in a Confirmed COVID-19 Outbreak.

Unless there are significant changes before then, we will provide another update early next week. Thank you!
