

Bow Valley outbreak update 3 – Friday, May 13, 2022

This information is current as of May 13 at 10:47 a.m.

Hello Bow Valley residents and primary contacts,
The total number of active resident and employee cases of COVID-19 at Bow Valley is now one.

Category of case	Residents	Employees
Current active	1	0
Cumulative recovered	7	1

Reminders

Please monitor yourself twice daily for the following COVID-19 symptoms and, if you have any, isolate in your suite and inform Reception:

Fever	Chills
Cough	Muscle/joint aches
Shortness of breath/difficulty breathing	Nausea/vomiting/diarrhea/unexplained loss of appetite
Runny nose	Feeling unwell/fatigued
Nasal congestion	Headache
Sore throat	Loss of sense of smell or taste
Painful swallowing	Conjunctivitis/pink eye

Please wear a mask anytime you are out of your suite or if anyone is in your suite, including visitors or home care, maintenance or housekeeping employees.

If you have a medical appointment scheduled, please inform the office you are coming from a community in Confirmed COVID-19 Outbreak.

We will provide another update next week. Have a great weekend!

Sharon Milanko, Community Manager (smilanko@silvera.ca)
