

**Confirmed COVID-19 Outbreak declared at Beaverdam community.**

*This information is current as of August 8, 2022, 11:30am.*

Hello Beaverdam residents and primary contacts,

We currently have 2 Residents in isolation, one is confirmed COVID and one resident is awaiting a PCR swab from AHS. One resident who was positive with COVID has now recovered and is no longer required to isolate.

***Actions underway:***

Please monitor yourself for the following COVID-19 symptoms and, if you have any, isolate in your suite and inform Reception:

Fever	Chills
Cough	Muscle/joint aches
Shortness of breath/difficulty breathing	Nausea/vomiting/diarrhea/unexplained loss of appetite
Runny nose	Feeling unwell/fatigued
Nasal congestion	Headache
Sore throat	Loss of sense of smell or taste
Painful swallowing	Conjunctivitis/pink eye

- Wear a mask if you are outside your suite or if anyone is in your suite, including visitors, home care, housekeeping, or maintenance employees.
- All outbreak protocols are activated, and employees continue to wear personal protective equipment.
- If you have a medical appointment scheduled, please advise their office you are coming from a community in Confirmed COVID-19 Outbreak.

We will provide the next update on Friday, August 12<sup>th</sup>. Thank you for your cooperation and understanding.
