

Beaverdam Commons outbreak update 3

This information is current as of August 22, 2022, 11:30 a.m.

Hello Beaverdam residents and primary contacts,

Due to increasing COVID positive case counts at Beaverdam, Alberta Health Services tested all residents this morning except those residents who recently tested positive for COVID-19. We will share the results as soon as this information becomes available.

Actions underway:

Please monitor yourself for the following COVID-19 symptoms and, if you have any, isolate in your suite and inform Reception:

Fever	Chills
Cough	Muscle/joint aches
Shortness of breath/difficulty breathing	Nausea/vomiting/diarrhea/unexplained loss of appetite
Runny nose	Feeling unwell/fatigued
Nasal congestion	Headache
Sore throat	Loss of sense of smell or taste
Painful swallowing	Conjunctivitis/pink eye

- Wear a mask if you are outside your suite or if anyone is in your suite, including visitors, home care, housekeeping, or maintenance employees.
- All outbreak protocols are activated, and employees continue to wear personal protective equipment.
- If you have a medical appointment scheduled, please advise their office you are coming from a community in Confirmed COVID-19 Outbreak.

We will provide the next update as soon as new information becomes available. Thank you for your cooperation and understanding.

Tim Bowen
Community Manager, Beaverdam Commons
