

**Bow Valley outbreak lifted – August 29, 2022**

*This information is current as of Aug. 29, 2022 at 10:30 am.*

Hello Bow Valley residents and primary contacts:

This morning the Calgary Zone Medical Officer of Health (MOH) lifted the COVID-19 outbreak at Bow Valley.

As we all know, our outbreak situation can change at any time, despite our many precautions. We must continue to be vigilant in our combined efforts to minimize the spread of all viruses in our community.

Please continue to self-monitor and report any symptoms to a Silvera employee.

My sincere thank you to the Bow Valley team who continue to follow the protocols and work diligently to keep all of us healthy and safe.

We appreciate your support!

Sharon Milanko, Bow Valley Community Manager
