Confirmed COVID-19 Outbreak declared at Aspen community
This information is current as of Sept 22, 2022 at 4:00pm

Hello Aspen residents and primary contacts:

Today, Alberta Health Services declared Aspen community to be in a Confirmed COVID-19 Outbreak. Three or more residents have tested positive for COVID-19. Positive and symptomatic residents are isolating in their suites.

Actions underway

-All current Alberta Health Service outbreak protocols have been activated.
-We are working with Alberta Health Services to arrange testing for symptomatic residents.
-If you have a medical appointment scheduled, please advise their office you are coming from a community in Confirmed COVID-19 Outbreak.

We will provide more information as it becomes available.

Thank you for your understanding and cooperation.
